EMPLOYMENT

Imaginal Marketing Group, 2019-Present

Developed websites using HTML5, CSS, JavaScript/jQuery, PHP, MySQL, Sass and Gulp in both WordPress and ModX CMS. Utilized WHM/Cpanel and Adobe Creative Suite. In addition, implemented best practices for organic SEO.

Four Seasons Hospice, 2016-2018

Provided therapy for individuals on hospice in various settings homes, nursing homes, and hospitals. Interventions included physical symptom management, spiritual support, and bereavement counseling for patients and families throughout the last days of their lives.

Baton Rouge General Medical Center, 2016

Created music therapy programs for Burn Unit and COPD outpatient treatment. Also served as a music therapist in behavioral psych setting. Individual sessions were recreational and primarily included song-recreation. Group sessions included lyric analysis, song-recreation, improvisation, drum circles and guided-relaxation. Also worked as a Featured Musician for the Arts in Medicine program.

Co-Founder/Audio Engineer at The Dizzy Records, 2012-Present

Scheduled client booking, equipment and administration while serving existing clients, leading sessions, and creating new business projects as well as technological updates.
